### SELECTED PROFESSIONAL EXPERIENCE

7/06-Present **Researcher/Scientist III**

**The University of Arizona, Southwest Institute for Research on Women**

9/21-Present SPECTRUM PROJECT

*This multi-year project offers culturally responsive, LGBTQ+ affirming continuum of HIV prevention and education services, expanded substance use and co-occurring disorder treatment and myriad of supported services to youth and transitional aged youth and is funded through SAMHSA*

#### **Educator**

- Develop curriculum manual
- Facilitate sexual health education services

10/16-3/22 BRIDGES TO WELLNESS (B-WELL)

*This multi-year project aims to build infrastructure and capacity to deliver and sustain substance abuse, HIV, and Viral Hepatitis prevention services to reduce the onset of substance use and sexual risk behaviors among system-involved youth and is funded through SAMHSA*

#### **Project Coordinator**

- Oversee daily operations of project activities
- Prepare funder reports
- Developed sexual health curriculum sessions
- Provided substance abuse and sexual health educational services
- Design and deliver sexual health curriculum implementation training to behavioral health providers

5/16-8/2019 WOMEN IN THE ARIZONA DEPARTMENT OF TRANSPORTATION WORKFORCE

*This multi-year study focused on policy and practices aimed at recruiting and retaining women in the transportation workforce was funded through the Arizona Department of Transportation.*

#### **Program Manager**

- Oversee daily operations of project activities
- Prepare funder reports
- Manage study activities based on tasks and deliverables
- Coordinate data collection activities
- Train staff

5/12-7/16 NATIONAL CROSS-SITE EVALUATION JUVENILE DRUG COURTS RECLAIMING FUTURES

*This multi-year evaluation examining the effects of combining two models intended to rehabilitate substance using youth within the juvenile justice system was funded through the Library of Congress.*

### **Evaluation Coordinator**

- Point of contact for 8 nationwide evaluation sites
- Coordinate data and information needed from evaluation sites
- Manage all evaluation activities based on goals, objectives and deliverables
- Prepare funder reports
- Develop project materials (e.g., presentations, reports) for widespread distribution
- Coordinate communications with evaluation sites, partnering agencies, multiple consultant, national affiliated organizations and internal team
- Oversee daily operations of project activities
- Supervise project staff

### 10/06-12/11 PROJECT DAP (DETERMINING ANOTHER PATH)

*This multi-year project targeted adolescents (and their families) in substance abuse treatment services to provide health education (e.g., adolescent development, HIV, STIs, communication) and was funded through SAMHSA.*

### **Project Coordinator for Rural Communities**

- Coordinated with Juvenile Probation and Cochise County Juvenile Court Services for service delivery and evaluation
- Coordinated services and evaluation for youth involved in multiple systems of care in Cochise County, AZ
- Developed and delivered curriculum to and provided resources for parents and caregivers of systems involved youth

### **Health Educator/Parent Services Coordinator/Research Technician**

- Developed and maintained positive collaborative relationships with substance abuse treatment agency administrators and therapists, probation officers, child protective services, and other child welfare agency members
- Coordinated and delivered individual recovery services to youth involved in multiple systems of care
- Developed and coordinated caregiver services and evaluation (e.g., curriculum sessions, family support groups, assessments)
- Conducted evaluation assessments with participants maintaining high follow up rates (minimum 85% follow up rate at all waves)
- Ensured high quality data via quality assurance procedures
- Developed sexual health curriculum sessions
- Provided substance abuse and sexual health educational services
- Translated project information (e.g., caregiver resources, data collection instruments) into Spanish
- Collaborated in development of curriculum manual

### **Volunteer Supervisor**

- Responsible for 8-10 youth volunteers providing overall organizational support
- Communicated with juvenile probation and parole regarding community service requirements

### 10/08-9/11 LAS ROSAS

*This multi-year project targeted adolescent girls in substance abuse treatment services to provide systems of care approach to treatment and recovery and was funded through SAMHSA.*

#### **Outreach Coordinator**

- Conducted outreach sessions to over 40 community organizations highlighting the need for identification of and referral to substance abuse treatment services for girls
- Developed and conducted state wide webinar, “Girls and Substance Abuse in Arizona”

#### **Health Educator/Research Technician**

- Coordinated and delivered individual and group substance abuse recovery services
- Developed and provided substance abuse and sexual health educational services
- Adapted multiple curricula (e.g., Seeking Safety, an intervention for substance abuse and trauma) to ensure developmental appropriateness
- Conducted evaluation assessments with participants maintaining high follow up rates (minimum 85% follow up rate at all waves)
- Served as liaison between program staff and collaborating agencies

#### **9/09-6/11 RECOVERY SERVICES FOR ADOLESCENTS AND FAMILIES**

*This multi-year national pilot-project targeted adolescents and their families testing the effectiveness of three recovery support interventions and was funded through SAMHSA via contract with Chestnut Health Systems.*

#### **Family Clinician**

- Delivered family group recovery support service, including one-on-one and group sessions, for parents and caregivers of substance involved youth
- Contributed to national family clinician pilot program regarding implementation and quality assurance of the family support groups
- Translated family group resources into Spanish
- Developed family support listserv to provide weekly parenting tidbits and resources

---

#### **EDUCATION**

The University of Arizona - Tucson, AZ - December 1999  
Bachelor of Arts in Psychology, Spanish Minor

---
