RESEARCH PROJECTS

CURRENT

Project Director. Pima County Point in Time Homeless Street Count Methodology Project. Aims to assist the Tucson Pima Collaboration to End Homelessness and specifically the Homeless Street Count Committee develop a plan to better determine the number of people experiencing homelessness in Pima County.

Evaluator. University of Arizona Consortium on Gender Based Violence (2018). Evaluation of the University of Arizona Consortium on Gender Based Violence which aims to act as a research and resource center that seeks to model and inspire a radical shift in the way we think about and address gender-based violence on campus,

Evaluator. Health, Hope, Home (2018) Aims to provide trauma informed intensive case management, physical and mental healthcare, access to service and entitlements to homeless adults.

Project Director. The Lighthouse Project (2018). Aims to provide trauma informed intensive case management, LGBTQ affirming sexual health curriculum, employment readiness training and substance abuse/mental health treatment to LGBTQ homeless and near-homeless young adults.

Evaluator. Turning the Tide (T3) (2018) Aims to provide trauma informed intensive case management, physical and mental healthcare, HIV prevention and care to MSM of color.

Evaluator. Arizona Youth Mental Illness Stigma Reduction Project (2017) Evaluation of an initiative that aims to create a community collaborative to reduce mental illness stigma in order to increase the number of youth who access services and aid in early intervention.

Project Director. Spectrum. (2017). Aims to provide trauma informed intensive case management, LGBTQ affirming sexual health curriculum, employment readiness training and substance abuse/mental health treatment to LGBTQ homeless and near-homeless young adults. The ANCHOR Project also connects youth to supportive housing services. Collaborators on this project are SAAF, CODAC Behavioral Health Services and University of Arizona-SIROW.

Project Director. Project CHANGE (2007). To provide trainings to middle and high school students across the state of Arizona on Gender Non-Traditional Careers, Sexual Harassment and Cyberbullying.

COMPLETED

Evaluator. Homeless Street Count Data Analysis and Methodology Project (2015). To assist the Tucson Pima Collaboration to End Homelessness and specifically the Homeless Street Count Committee develop a plan to better determine the number of people experiencing homelessness in Pima County.

Evaluator. Pima County Attorney's Office: Office of Violence Against Women Arrest Grant (2008). To facilitate collaborative meetings including law enforcement, prosecution, county victim advocates and community victim advocates to examine and improve the level of attention to victims' safety within each tier.

Project Director. ANCHOR. (2014). To provide trauma informed intensive case management, LGBTQ affirming sexual health curriculum, employment readiness training and substance abuse/mental health treatment to LGBTQ homeless and near-homeless young adults. The ANCHOR Project also connects youth to supportive housing services. Collaborators on this project are SAAF, CODAC Behavioral Health Services and University of Arizona-SIROW.

Evaluator. Pascua Yaqui Project LAUNCH (2012.) To investigate and report on the progress of the Ili Uusim Hiapsi project which provides community-based training for families and providers and early intervention developmental and mental health services for children ages birth-8. Collaborators on this project are Pascua Yaqui Tribe, Strength Building Partners and University of Arizona-SIROW.

Evaluator. Pascua Yaqui Treatment Expansion Grant (2012). To investigate and report on the progress of the Pascua Yaqui Tribe System of Care project which provides wrap-around services for all tribal youth. Collaborators on this project are Pascua Yaqui Tribe, Strength Building Partners and University of Arizona-SIROW.

Evaluator. Pima County Attorney's Office: Office of Violence Against Women Arrest Grant (2008). To facilitate collaborative meetings including law enforcement, prosecution, county victim advocates and community victim advocates to examine and improve the level of attention to victims' safety within each tier.

Evaluator. iTEAM. (2009) To investigate and report on the progress of participants in the iTEAM program which provides intensive case management, HIV prevention curriculum and substance abuse/mental health treatment to LGBTQ homeless and near-homeless youth. iTEAM also connects youth to supportive housing services. Collaborators on this project are Wingspan, SAAF, Open Inn, Our Family Services, CODAC Behavioral Health and University of Arizona-SIROW.

Evaluator. MOMs (2011): To investigate and report on the progress of participants in the Mothers of Minors program which provides HIV prevention curriculum and substance abuse treatment to pregnant and post-partum women who have substance abuse problems, Collaborators on this project are The Haven Residential Treatment Program, Las Familias Trauma treatment program and University of Arizona-SIROW.

Evaluator. Step Forward. (2009) To investigate and report on the progress of participants in the Step Forward program which provides HIV prevention curriculum and substance abuse treatment primarily to youth who have been involved in the criminal justice system. Collaborators on this project are CODAC Behavioral Health, the Southern Arizona AIDS Foundation (SAAF) and University of Arizona-SIROW.

Project Director. (2009) *Own Yourself*: A culturally responsive substance abuse and HIV prevention program for African American girls in Southern Arizona. Women's Foundation of Southern Arizona- Unidas Grant.

Evaluator. Pima County Family Drug Court Program. (2006) To investigate and report on the progress of participants in the Pima County Family Drug Court program. The Family Drug Court program is an optional program for parents whose children have been temporarily removed from their care as a result of the parents' substance use. Through an intensive case management model, this program connects participants to community resources (treatment services, housing services, etc.) to assist in the participants efforts in recovery. Collaborators on this project are the Pima County Juvenile Court Center, Arizona's Children Association and University of Arizona-SIROW.

Evaluator. PRISM Project (2006). To investigate and report on the substance use and sexual risk-taking behaviors of participants who have gone through the PRISM workshop series. The workshop series is provided to Gay, Lesbian, Bi-sexual, Transgender, Queer and Questioning youth (ages 18-24) and their straight allies in the same age group. The workshops focus on substance abuse and HIV prevention.

Collaborators on this project are Wingspan, Pima County Health Department, Southern Arizona AIDS Foundation, CODAC Behavioral Health and University of Arizona-SIROW.

Evaluation Coordinator. Infant Adoption Training Initiative (2006). To measure the knowledge gained by participants in the Infant Adoption Training Workshops. The goal of this project was to provide information about adoption as an option for unplanned pregnancy to health care providers throughout Arizona and Nevada.
