EDUCATION

Ph.D. University of Connecticut, July, 2003
Area: Social Psychology
Dissertation title: *Can We Get Together? Relationship Initiation as a Motive to Seek Help*
Primary advisor: David A. Kenny

Graduate Certificate

University of Connecticut, June, 2003
Area: Quantitative Research Methods in Psychological Science
Executive Committee Coordinator: Toon Cillessen
Research Mentor: David A. Kenny

M.A. University of Connecticut, August, 2001
Area: Social Psychology
Thesis title: *A Social Relations Analysis of Helping*
Primary advisor: David A. Kenny

B.A. University of Arizona, May, 1997, Summa Cum Laude with honors
Major: Psychology; Minor: Family Studies

RESEARCH & STATISTICAL EXPERIENCE

2017-present Director & Research Professor, University of Arizona-Southwest Institute for Research on Women.

2008-2012 Statistician, Internet Solutions for Kids, Inc. Work on research examining consequences of Internet use experienced by youth and effectiveness of health-related Internet-based prevention/intervention programs. Manage, quality check, and analyze survey data and write reports of results. Write research grant proposals and disseminate research findings.

2007-2008 Statistical Consultant for Internet Solutions for Kids, Inc. Work on research examining consequences of Internet use experienced by youth. Provide guidance regarding selection of appropriate statistical analyses, presentation of results, and appropriate discussion of issues concerning the interpretation of results. Manage, quality check, and analyze survey data and write reports of results. Write research grant proposals and disseminate research findings.

- 2007 Statistical Consultant for Just Kid Inc. Provided guidance regarding use of appropriate statistical analyses and presentation of results.
- 2007 Statistical Consultant for Jaswinder Ghuman, MD. (Principal Investigator) Worked on research examining effectiveness of drug treatment for attention deficit disorder. Provided guidance regarding selection of appropriate statistical analyses and appropriate discussion of issues concerning the interpretation of results. Wrote planned analysis section of research grant proposal.
- 2007-2017 Director-Research Methods and Statistics, University of Arizona-Southwest Institute for Research on Women. Serve as statistician for multiple projects. Evaluate prevention/intervention programs designed to improve quality of life and relationships for women and youth of underserved populations with a focus on family and relationship dynamics. Manage, quality check, and analyze survey data and write reports of results. Write research grant proposals and disseminate research findings.
- 2007-2008 Statistical Consultant for Providence Corp. Examine client satisfaction and examine the effectiveness of substance abuse-related intervention program. Manage, quality check, and analyze survey data and write reports of results.
- 2005 Statistical Consultant for Department of Health and Human Services Public Health Services Grant granted to David G. Gilbert, PhD. (Principal Investigator) Provided guidance regarding selection of appropriate statistical analyses, selection and use of statistical software, and appropriate interpretation of results (e.g., power and effect size). Conducted statistical analyses (power analyses, analyses of variance, multiple regression analyses, and multilevel modeling analyses) and wrote summaries of the analyses and their results.
- 2003-2006 Assistant Professor, Southern Illinois University. Conducted psychological survey and experimental research concerned with family relationships, stereotypes, help-seeking, and mental health-related issues. Taught statistics and research methods. Provided statistical consulting. Managed a research team.
- 1998-2003 Principal Investigator, University of Connecticut. Conducted psychological survey and experimental research concerned with family relationships of college students and stereotyping. Conducted psychological survey research examining how safer sex practices and adherence to medical regimens change as a function of progression of HIV/AIDS and are related to mental health.
- 1998-2003 Research Assistant, University of Connecticut. Examined accuracy and meta-accuracy in person perception. Analyzed data using the social relations model, structural equation modeling, and multilevel modeling. (Principal Investigator: David A. Kenny, Ph.D.)
- 1997-1998 Research Lab Manager, University of Arizona. Managed undergraduate research assistants, tested both older and younger adults, and analyzed data for the Memory and Cognition Research Laboratory. (Principal Investigator: Cynthia May, Ph.D.)
- 1997 Principal Investigator, University of Arizona. Designed and conducted an experiment to test hypotheses derived from terror management theory. Funding

- for this research was provided by the University of Arizona's Honors Program's Giue Family Research Scholarship. (Faculty Advisor: Jeff Greenberg, Ph.D.)
- 1996-1997 Principal Investigator, University of Arizona. Designed and conducted an experiment that tested whether individuals attempt to counter mortality salience by meeting or exceeding the standards of their cultural worldview. This research was funded by a University of Arizona Social and Behavioral Sciences Research Initiative Grant for Undergraduates. (Faculty Advisor: Jeff Greenberg, Ph.D.)
- 1996-1997 Research Assistant, University of Arizona. Aided in research concerning visual perception of figure and ground. (Principal Investigator: Mary Peterson, Ph.D.)
- 1996 Principal Investigator, University of Arizona. Examined the emotional states of children. Coordinated seven elementary and high schools in three states and trained research assistants. This research was jointly funded by a University of Arizona Social and Behavioral Sciences Research Initiative Grant for Undergraduates and a University of Arizona Honors Undergraduate Research Grant. In addition, presentation of this research was chosen as best research project and presentation in the category of Social Sciences and Education at the ASUA Student Showcase, University of Arizona. (Faculty Advisor: Rosemary Rosser, Ph.D.)
- 1996 Research Assistant, University of Arizona. Aided in the evaluation of a criminal recidivism intervention and prevention program used by the juvenile division of the Pima County court system. Conducted clinical interviews with juveniles involved in the court system and inputted data. (Principal Investigator: Laura McCloskey, Ph.D.)

GRANT FUNDED PROJECTS

Active

- NIH eGRANT12805868 (J. Lee) 09/2019-08/2024
 NIH - \$3,689,096
 Improving Hypertension Medication Adherence for Older Adults
 This research project examines the efficacy of Medication Education, Decision Support, Reminding, and Monitoring System 2 (MEDSReM-2), a medication adherence supportive system that capitalizes on technological advances to integrate additional functionalities to MEDSReM including electronic blood pressure monitoring and provision of feedback about the relationship between medication adherence and blood pressure.
 Role on project: Co-Investigator
- 19-02804 (J. Korchmaros) 12/2019-10/2022
 Private foundation - \$547,832
 Comprehensive Evaluation of an Innovative Collaborative Response to the Opioid Epidemic
 This research project is a comprehensive evaluation of the feasibility, implementation, costs, outputs, and outcomes of an innovative law enforcement/behavioral health peer support co-responder deflection model to address misuse of opioids and other substances—the Deflection Program.
 Role on project: Principal Investigator
- 1H79TI081529-01 (C. Huebner Torres) 02/2019-02/2022

SAMHSA-CSAT - \$1,557,104

Safe Haven – A program providing medication-assisted treatment (MAT) OUD assessment, assessment of co-occurring disorders, and recovery support services.

Role on project: Evaluator

1H79TI081559-01 (T. Cheung)

09/2018-09/2021

SAMHSA-CSAT - \$1,475,316

U-MATTER (Unified Medication Assisted Treatment Targeted Engagement Response)

The purpose of U-MATTER is to enhance and expand access to medication-assisted treatment (MAT) services for adults in Pima County, Arizona with an opioid use disorder seeking or receiving MAT.

Role on project: Evaluator

1H79SM080442-01 (P. Glider/J. Korchmaros) 09/2018-09/2021

SAMHSA-CMHS - \$306,000

Project Lifeline

Project Lifeline is a comprehensive suicide prevention strategy to reduce the incidence of suicide, suicide attempts, and their related risk factors such as alcohol and other drug (AOD) misuse/abuse among students at the UA with a special emphasis on high-risk student populations, such as LGBTQ students and veterans.

Role on project: Co-Principal Investigator

Private Funding (J. Korchmaros)

1/2018 – 7/2019

The Seven Challenges, Inc., Tucson, Arizona - \$5000

Building Evidence Base of Substance Use Treatment

The purpose is to examine and disseminate information regarding the effectiveness of substance use treatment programs.

Role: Principal Investigator

1H79SP021778-01 (A. Greene)

09/2016-09/2021

SAMHSA-CSAP - \$1,146,675

Bridges to Wellness (B-Well)

The purpose of Bridges to Wellness (B-Well) is to develop a solid foundation, infrastructure, and capacity to deliver and sustain quality, accessible, evidence-based substance abuse (SA), HIV, and Viral Hepatitis (VH) prevention services to reduce the onset of SA, HIV and VH infection among system-involved minority youth ages 13-17 in Pima County, Arizona (AZ).

Role on project: Evaluator

Completed

1H79SM080976 (R. Astoria)

04/2019-09/2019

SAMHSA-CMHS - \$20,395

Project AWARE (Advancing Wellness and Resiliency in Education)

Role on project: Evaluator

Vitalyst Health Foundation 090017 (J. Contreras)

6/2017 – 5/2019

Vitalyst Health Foundation - \$48,000

Juvenile Justice Initiative-Reducing Burden and Increasing Opportunity

A research and policy project to enhance fairness in Arizona's juvenile justice system and increase positive outcomes for youth.

Role: Subcontract Co-Investigator

Private Funding (J. Korchmaros) 3/2016 – 2/2018
 D7 Treatment, Idaho Falls, Idaho - \$5600
 Seven Challenges-Adult Treatment Effectiveness Study
 The major goal of this project is to examine the effectiveness of The Seven Challenges, adapted for adults.
 Role: Principal Investigator

Private Funding (J. Korchmaros) 9/2017 – 2/2018
 American Friends Service Committee - \$10,000
 Evaluation of the Organizing Against the Treatment Industrial Complex Project
 An evaluation of American Friends Service Committee's advocacy project involving publication of an informational report about the Treatment Industrial Complex (TIC), initiation of a national dialogue on the issue of TIC, mobilization of key partners, and advocating for legislative, policy, or other changes.
 Role: Subcontract Principal Investigator

Contract HHSS283201200006I/HHSS28342004T (L. Dunlap) 3/4/15 – 1/27/18
 SAMHSA - \$2,371,857
 Pregnant and Postpartum Women and Adolescent Data
 The purpose of this project is to support an evaluation of the Cooperative Agreements for State Adolescent Treatment Enhancement and Dissemination, Cooperative Agreements for State Adolescent and Transitional Aged Youth Treatment Enhancement and Dissemination, and the Services Grant Program for Residential Treatment for Pregnant and Postpartum Women programs.
 Role on project: Quantitative Analyst

Private Funding (J. Korchmaros) 11/2016 – 4/2017
 The Seven Challenges, Inc., Tucson, Arizona - \$3500
 Multi-site Examination of the Effectiveness of The Seven Challenges for Adolescents
 The major goal of this project is to examine the effectiveness of The Seven Challenges among adolescents.
 Role: Principal Investigator

Cooperative Agreement No. AID-482-A-14-00003 (K. Fitzsimmons) 9/22/14 – 12/21/17
 USAID - \$1,728,871
 Developing a Sustainable Seafood Industry Infrastructure in Burma
 The objective of this project is to move Burma's seafood sector towards an industry that mixes capture fisheries and aquaculture along with improved processing and marketing capabilities to meet global standards of sustainability, equitability, profitability, and food safety.
 Role on project: Gender Expert & Evaluator

1R01HL120907-01 (S. Shaw) 01/1/2014-12/31/2017
 National Heart, Lung, and Blood institute - \$1,580,411
 Medication Adherence, Health Literacy and Cultural Health Beliefs in a Mass. CHC
 The major goal of this project is to investigate the relationships among health literacy, culturally variable health beliefs, and health insurance formulary changes on medication adherence among diverse low-income patients with chronic disease at a federally funded community health center.

Role on project = Co-Investigator & Statistician

H79 TI013014 (Arizona Department of Health Services) 09/1/2013-08/30/2017

Substance Abuse and Mental Health Service Administration–CSAT - \$3,800,000
Arizona's Youth in Transition Project

The major goal of this project is to build the capacity and infrastructure for increased statewide implementation of evidence-based substance abuse treatment programs targeting adolescents and transition-aged youth.

Role on project = Quantitative Analyst

Social & Behavioral Sciences Research Institute (SBSRI) Leveraging grant 6/2017
SBSRI \$1,000

This grant supported Dr. Korchmaros' work with colleagues to obtain funding for their HIV Risks and Intervention Strategies for Empowerment for Female Sex Workers in Belize (RISE) project.

Private Funding (J. Korchmaros) 9/2016 – 2/2017

Community School Garden Program, Tucson, Arizona - \$4500

Community School Garden Program Evaluation

The purpose of this project is to examine the impact of the Community School Garden Program on K-12 students, teachers, and student interns working with the program.

Role: Principal Investigator

SM61243 (R. Howard) 10/2012-09/2016

SAMHSA-Center for Mental Health Services - \$796,104

Pascua Yaqui System of Care-Sewa Uusim Evaluation

The goal of Sewa Uusim Project was to design a culturally specific system of care for Pascua Yaqui youth and their families.

Role on project: Statistician

SM61294 (D. Noonan) 10/2012-09/2017

SAMHSA-Center for Mental Health Services \$4,198,250

Ili Uusim Hiapsi~Pasqua Yaqui Project LAUNCH

The goal of Ili Uusim Hiapsi is to enhance and improve the systems that address health disparities and serve young children and their families through improved collaboration among child serving organizations that integrate physical and mental health and substance abuse prevention strategies for Pascua Yaqui children and families.

Role on project: Statistician

2013-DC-BX-0081 (S. Stevens) 08/1/2013 – 07/30/2016

Office of Juvenile Justice and Delinquency Prevention - \$712,707

FY12 Cohort Juvenile Drug Court/Reclaiming Futures Evaluation

The major goal of this project is to include the FY12 cohort of juvenile drug court sites funded by the Office of Juvenile Justice and Delinquency Prevention to implement the Reclaiming Futures Model into the National Cross-site Evaluation of Juvenile Drug Courts.

Role on project = Co-Investigator

LCFRD11C0007 (S. Stevens) 07/05/2011-12/31/2015

Library of Congress - \$1,298,763

National Cross-site Evaluation of Juvenile Drug Courts

The goal of this multi-method comprehensive cross-site evaluation is to evaluate the implementation of two evidence-based models into multiple juvenile drug courts located across the U.S.

Role on project = Quantitative Analyst

H79 TI012367 (S. Stevens) 10/1/2009 – 9/30/2014
Substance Abuse and Mental Health Service Administration–CSAT - \$1,750,000
iTEAM (Treatment Empowerment for Adolescents on the Move)

The major goal of this project is to implement a systems approach for drug/alcohol and mental health treatment for homeless lesbian, gay, bisexual, transgender, and questioning youth and their straight allies.

Role on project = Statistician

1H79TI023657 (R. Andrade) 10/01/ 2011 – 9/29/2014
Substance Abuse and Mental Health Services Administration - \$1,572,000
Working Poor Mothers of Minors.

The goal is to provide comprehensive, trauma-informed residential substance abuse treatment, HIV/AIDS prevention, family services for the women's partners and children, and continuing care, and to evaluate the effectiveness of the program.

Role: Senior Project Advisor

H79 TI019911 (A. Graves) 10/1/2009 – 9/30/2014
Substance Abuse and Mental Health Service Administration–CSAT - \$710,000
Step Forward

The major goal of this action-based research project is to provide substance abuse and mental health treatment and HIV prevention and testing services for adolescents involved with juvenile probation and those identified through street outreach.

Role on project = Statistician

H79 TI18730 (R. Andrade) 10/1/2007-09/29/2013
Substance Abuse and Mental Health Service Administration–CSAT - \$2,500,000
HerStory to Health: A Woman's HIV, STD, Hepatitis B and C, and Mental Health Drug Treatment Enhancement Project

This comprehensive, gender-specific, and culturally-competent enhancement project is for Latina and African American women enrolled in residential substance abuse treatment or who are homeless/near homeless.

Role on project: Statistician

Institute for LGBT Studies Grant (S. Stevens) 7/1/2011 – 6/30/2012
Institute for LGBT Studies, University of Arizona - \$1500
LGBTQ Youth: Data Analysis, Interpretation, and Technical Transfer to Inform on a Research Agenda

The major goal of this project is to 1) analyze, interpret, and disseminate project outcome findings, and 2) to use this information to illuminate critical research questions and accelerate a research agenda with regard to lesbian, gay, bisexual, transgender, queer, and questioning adolescents and young adults.

Role: Statistician

R01 MH080662 (Ybarra) 9/17/2007 – 7/31/2012
National Institute for Mental Health - \$552,441 annually
Cybersenga: Harnessing the Power of the Internet to Prevent HIV in Ugandan Adolescents

The major goal of this project is to develop an Internet-based HIV prevention program for adolescents living in Mbarara, Uganda.

Role: Statistician

R01CE001543-01 (Ybarra)

9/30/2009 – 08/29/2012

Center for Disease Control - \$1,198,152

Mapping Etiological Pathways to Serious Violence Perpetration from Childhood to Young Adulthood

To examine youth exposure to violent media and the factors associated with the development of sexual violence perpetration through adolescence and the transition into young adulthood.

Role: Statistician

R01 HD057191-01 (Ybarra)

2/01/2009 - 1/31/2012

National Institute for Health - \$809,492

Identifying Positive Aspects of Youth Internet Use: The Next Step in Prevention

The major goal of this project is to use an innovative online data collection strategy to scientifically examine the potential risk and protective factors that Internet use poses to adolescent health.

Role: Statistician

H79 TI18406 (B. Ruiz)

10/1/2006 – 9/30/2011

Substance Abuse and Mental Health Service Administration–CSAT - \$2,500,000

Determining Another Path (DAP)

The major goal of this project is to provide an HIV and substance use relapse prevention program to adolescents and to evaluate the effectiveness of the program.

Role on project = Statistician

H79 TI20138 (B. Ruiz)

9/30/2008 – 9/29/2011

Substance Abuse and Mental Health Service Administration–CSAT - \$1,200,000

Las Rosas: A Recovery Oriented Support System Approach for Adolescent Girls in Tucson, Arizona

The major goal of this project is to expand, enhance, and strengthen the recovery-oriented system of care through the provision of pre-treatment and residential treatment services, continuing care, and community recovery supports for adolescent girls in Southern Arizona.

Role on project = Evaluator

R01 TW007918-01 (Ybarra)

8/07/2007 – 7/31/2011

National Institute on Drug Abuse / Fogarty Foundation - \$100,000 annually

SMS Turkey: Harnessing the power of TXT messaging to promote smoking cessation

The major goal of this project is to develop and test the feasibility of a TXT messaging-based smoking cessation program among adults living in Ankara, Turkey.

Role: Statistician

Private Funding (J. Korchmaros)

6/2010 – 12/2010

The Seven Challenges, Inc., Tucson, Arizona - \$6110

Providence Seven Challenges Site Evaluation

The major goal of this project is to analyze, interpret, and disseminate project outcome findings.

Role: Principal Investigator

Institute for LGBT Studies Grant (S. Stevens) 7/1/2010 – 6/30/2011

Institute for LGBT Studies, University of Arizona - \$1500

LGBTQ Youth: Data Analysis, Interpretation, and Technical Transfer to Inform on a Research Agenda

The major goal of this project is to 1) analyze, interpret, and disseminate project outcome findings, and 2) to use this information to illuminate critical research questions and accelerate a research agenda with regard to lesbian, gay, bisexual, transgender, queer, and questioning adolescents and young adults.

Role: Statistician

Institute for LGBT Studies Grant (S. Stevens) 3/2009 – 6/2010

Institute for LGBT Studies, University of Arizona - \$1500

LGBTQ Youth: Data Analysis, Interpretation, and Technical Transfer to Inform on a Research Agenda

The major goal of this project is to 1) analyze, interpret, and disseminate project outcome findings, and 2) to use this information to illuminate critical research questions and accelerate a research agenda with regard to lesbian, gay, bisexual, transgender, queer, and questioning adolescents and young adults.

Role: Statistician

H79 TI7547 (C. Powell) 5/30/2006 – 3/29/2010

Substance Abuse and Mental Health Service Administration–CSAT - \$1,200,000

Family Drug Court

The purpose of this project was to improve outcomes for clients' including: graduation rates, completion of treatment, and family reunification. This project provided treatment for trauma, improved clinical supervision, hired a Drug Court Coordinator, and increased awareness of the special needs of this population gained through cross-training.

Role on project = Statistician

H79TI17172 (P. Glider) 7/1/2005-6/30/2008

Substance Abuse and Mental Health Service Administration – CSAT - \$1,500,000

Increasing Alcohol and Other Drug Treatment within a University Health Service Center

The major goals of this project are to 1) identify alcohol abusing University of Arizona students, 2) provide screening and assessment, 3) provide intervention to address alcohol abuse when needed, and 4) evaluate the activities of the project.

Role on project = MIS/Director

H79 TI15863 (S. Stevens) 9/30/2003-9/29/2008

Substance Abuse and Mental Health Service Administration–CSAT - \$500,000 annually

Eon: Capacity Enhancement to Improve and Integrate Culturally Relevant Substance Abuse and HIV/AIDS Services

The major goal of this project is to provide an early intervention group-level curriculum targeting substance use, HIV and STD prevention, identity and sexuality, and the development of resiliency and life skills. The target population was young males and females (13 to 23 years of age), with particular focus on those of minority race or ethnicity and those who identify as Lesbian, Gay, Bisexual, Transgender, Queer, Questioning (LGBTQQ) or a straight ally.

Role on project = Evaluator

H79 TI14452 (R. Andrade) 9/30/2002-9/29/2007
 Substance Abuse and Mental Health Service Administration–CSAT - \$2,468,517
 Mujer Sana/Healthy Woman
 The major goal of this project is provide and evaluate an HIV, STD, Hepatitis and TB prevention for women enrolled in residential substance abuse treatment and active drug using women not in treatment.
 Role on project = Statistician

Women’s Foundation of Southern Arizona Grant (C. Knox) 7/1/2007-6/30/2008
 Women’s Foundation of Southern Arizona - \$14,580
 Status of Women in Southern Arizona: Indicators of Equity and Opportunity for Women
 The major goal of this project was to create a report detailing the status of women in Southern Arizona.

H79 TI14400 (S. Stevens) 9/30/2002-9/29/2007
 Substance Abuse and Mental Health Service Administration–CSAT - \$2,430,484
 Conexiones Sanas/Healthy Connections
 The major goal of this project was to provide and evaluate an HIV, STD, Hepatitis and TB prevention for at risk adolescents enrolled in drug treatment.
 Role on project = Statistician

F31 MH13014-03 (J. Korchmaros)
 National Institute of Health, Ruth L. Kirschstein National Research Service Award
 HIV Coping and Safer Behavior: A Theoretical Approach
 The major goal of this research project was to evaluate a theoretically-derived model of coping, risky behavior (i.e., behaviors that may lead to transmission of HIV), and medical adherence of men who have sex with other men and who have HIV.
 Role on project = Principal Investigator

Korchmaros, J.D. and Martin, S. (November, 1996). Children’s Fear, Perceived Stress, and Depressive Symptoms, and How They Relate. Poster presented at *ASUA Student Showcase*, University of Arizona, Tucson, Arizona.

PROFESSIONAL ACTIVITIES

Creative Activities

Davis, M., Korchmaros, J. D., & Sargus, T. (2017) SCRUFF. A documentary short film about facial hair in women. In *Scruff*, women discuss how other people have reacted to their facial hair and how they learned about facial hair and society’s negative views of facial hair in women. They also discuss their experience with facial hair management and removal and their own thoughts and opinions about facial hair in women.

Community Activities

2019-present Member, Collaboration group (CODAC)

- 2019-present Member, Pima County Community Prevention Coalition Steering Committee
- 2017-present Member, Pima County Community Prevention Coalition
- 2018-2019 Chair, 5-year review committee for Anne Betteridge, Director of CMES
- 2013-2015 Mentor to 7th grade girl participating in Southwest Institute for Research on Women's iSTEM project
- 2013 Team leader for the University of Arizona Southwest Institute for Research on Women Family and Friends team for the American Cancer Society's Making Strides Event in Tucson, AZ
- 2013 Career Panelist for the Women in Science and Engineering (WISE) Annual Expanding Your Horizons conference
- 2012 Career Panelist for the Women in Science and Engineering (WISE) Annual Expanding Your Horizons conference
- 2011 Ad hoc abstract reviewer for Joint Meeting on Adolescent Treatment Effectiveness (JMATE) 2012 conference
- 2011 Career Panelist for the Women in Science and Engineering (WISE) Annual Expanding Your Horizons conference
- 2010 Ad hoc abstract reviewer for Joint Meeting on Adolescent Treatment Effectiveness (JMATE) 2010 conference
- 2010 Career Panelist for the Women in Science and Engineering (WISE) Annual Expanding Your Horizons conference
- 2009 Women in Science and Engineering Mentor
- 2009 Career Panelist for the Women in Science and Engineering (WISE) Annual Expanding Your Horizons conference
- 2008 Career Panelist and Panel Moderator for the Women in Science and Engineering (WISE) Annual Expanding Your Horizons conference
- 2004-2005 Mentor of undergraduate McNair scholars
- 2004-2005 Judge of High School Region 8 Science Fair, Carbondale, Illinois.
- 2004 Judge of Graduate Student Committee's Graduate Poster Award (GPA) at the *Annual meeting of the Society for Personality and Social Psychology*, Austin, Texas.
- 2001-2003 Society for Personality and Social Psychology Graduate Student Committee member-at-large.
- 2001-2002 Participated in the Connecticut Junior Science and Humanities Symposium.

Departmental Service

- 2017-present Member, Women in Science and Engineering Advisory Board
- 2017-present Member, Southwest Institute for Research on Women Community Advisory Board

- 2017-present Member, Women's Studies Advisory Council (WOSAC)
- 2016 Led efforts to transition SIROW Central storage of electronic records from local server to University of Arizona campus server.
- 2013-present Chair, Southwest Institute for Research on Women Editing Committee
- 2007-present Member, Southwest Institute for Research on Women Brochure Committee
- 2008-present Chair, Southwest Institute for Research on Women Data Collection & Software Subcommittee
- 2007-present Member, Southwest Institute for Research on Women Steering Committee
- 2005 Member, Psychology Department's Applied Faculty/Undergraduate Program Director Search Committee, Southern Illinois University, Carbondale, Illinois.
- 2004-2005 Member, Psychology Department's Graduate Admissions Committee, Southern Illinois University, Carbondale, Illinois.
- 2003-2006 Member, Psychology Department's Undergraduate Curriculum Committee, Southern Illinois University, Carbondale, Illinois.
- 2000 Program Coordinator and Chair, Person Perception session of the meeting of the New England Social Psychological Association, University of Connecticut.
- 1999 Member, University of Connecticut Social Psychology Program admission committee for incoming graduate students.
- 1999 Member, University of Connecticut Social Psychology Program search committee for Social Psychology faculty.

University Service

- 2018 Member, UA Global/Internationalization Review Global Research, Contracts and Projects Subcommittee

AWARDS

- 2018 Women's Studies Advisory Council/University of Arizona-Southwest Institute for Research on Women Travel Award
- 2017 SCRUFF (Documentary by Davis, Korchmaros, & Sargus): Winner of the Lunafest local film contest, Tucson, AZ.
- 2016 Women's Studies Advisory Council/University of Arizona-Southwest Institute for Research on Women Travel Award
- 2014 University of Arizona-Southwest Institute for Research on Women Travel Award
- 2013 Women's Studies Advisory Council/University of Arizona-Southwest Institute for Research on Women Travel Award
- 2005 Outstanding Mentor, McNair Scholars Program, Southern Illinois University
- 2004 Outstanding Mentor, McNair Scholars Program, Southern Illinois University
- 2002 Society for Personality and Social Psychology Student Travel Award

- 2000 National Research Service Award Predoctoral Fellowship, National Institute of Mental Health (1 F31 MH13014-01), "HIV Coping and Safer Behavior: A Theoretical Approach."
- 2000 Grants-in-Aid Research Grant, Society for the Psychological Study of Social Issues, "Category Norms: How Race and Gender Categories are Designated as Typical and Atypical in Communication."
- 1999 Special Student Fund Fellowship, University of Connecticut
- 1998-2001 Outstanding Student Program Fellowship, University of Connecticut
- 1998 College of Liberal Arts & Sciences Dean's Fellowship, University of Connecticut
- 1996 Honors Program's Giue Family Research Scholarship, University of Arizona, "Mortality Salience and the Human Disgust Reaction."
- 1996 Social and Behavioral Sciences Research Initiative Grant for Undergraduates, University of Arizona, "Creativity and Mortality Salience."
- 1996 Social and Behavioral Sciences Research Initiative Grant for Undergraduates and Honors Undergraduate Research Grant, University of Arizona, "Children's Fear, Perceived Stress, and Depressive Symptoms." Co-investigator: Suzanne Martin.

TEACHING EXPERIENCE

Courses Taught

- Winter 2006 Instructor of Undergraduate Research Methods Course, ITT Technical Institute, Tucson, AZ.
- Fall 2004 Instructor of Undergraduate Independent Study Advanced Social Psychology Course, Southern Illinois University, Department of Psychology.
- Summer 2004 Conducted Critical Thinking Workshop for McNair scholars at a meeting of the McNair Scholars Program, Southern Illinois University.
- 2003-2006 Instructor of 2-Course Series of Graduate Advanced Univariate and Multivariate Statistics in Psychology, Southern Illinois University, Department of Psychology.
- 2003-2006 Instructor of Undergraduate Research Methods and Statistics in Psychology Course, Southern Illinois University, Department of Psychology.
- 2003-2006 Instructor of Undergraduate Independent Study Research Experience Course, Southern Illinois University, Department of Psychology.
- 2002 Instructor of Undergraduate Introductory Social Psychology Course, University of Connecticut, Department of Psychology.
- August, 2001 Participated in Teaching Assistant Workshop conducted by the Institute for Teaching and Learning, University of Connecticut.
- Summer 2001 Instructor of Undergraduate Introductory Psychology Course, University of Connecticut, Department of Psychology.
- 1999-2003 Supervisor of Undergraduate Research Assistants, University of Connecticut, Department of Psychology.
- Spring 1999 Grading Assistant, University of Connecticut, Department of Psychology.

- Fall 1998 Laboratory Instructor, Introduction to Psychology, University of Connecticut, Department of Psychology.
- 1997-1998 Private Tutor, Introduction to Psychology.
- Fall 1996 Teaching Assistant, Introduction to Psychology, University of Arizona, Department of Psychology.
- 1995-1997 Tutor of learning disabled students at the University of Arizona: Strategic Alternative Learning Techniques (SALT) Center, University of Arizona.
- 1995 Writing Tutor/Teacher's Aid for Pima Community College West Campus Writing Department, Pima Community College.
